RULES

Important: Every deal has to obey the rules. Please discuss with us which deals you would like to publish **before** made booking and a payment. We check every deal and only then confirm whether the order will come about.

- The deal price must be the cheapest on the market (all deals and prices are checked by us with price checker tools like idealo.de)
- No fake prices and fake discounts (we only allow real discount campaigns)
- eBay Deals: at least 100 Seller reviews (at least 90% positive)
- Amazon FBM Deals: if Fulfilled by Merchant (FBM) at least 50 Seller reviews (at least 90% positive)
- we hate spam - no repostings for a deal (for the same item) within 4 weeks

What informations we need for a Deal from you?

- Link to the Product (direkt Link, no word or zip files with links)
- Discount Code (if there is a code)
- start / expire Date for the Deal / Code

How long does it take for a deal to be published?

Usually this happens very quickly after we have received the information from you. On weekdays, we normally do this within 24 hours.
